

SUMMER NEWSLETTER 2014 R.J.Stewart and Anastacia Nutt

Greetings from Anastacia and R.J.

We have been traveling extensively for the last few months, including trips to Israel, Britain, Turkey, Canada, and many parts of the USA for workshops and concerts. Our main Calendar of events is at www.rjstewart.net, and updates and new events are added periodically. We have a very busy calendar extending well into 2015 with workshops, concerts, and retreats, and have added several new venues to our workshop program.

Our summer program includes a residential at Hawkwood College, Stroud, England, in July: *Ritual Magic for the 21st Century*. In a beautiful 18th century retreat centre, we will be experiencing the *Planetary Mass of Marsilio Ficino* (Italian Renaissance magic), the *Office of the Holy Tree of Life* from W. G. Gray, the *Michael-Metatron* invocation of A.R.Heaver, and a new version of R.J.'s *Merlin* ritual, first done at Hawkwood in the early 1980s. You can find more information on our Calendar page at www.rjstewart.org.

Glastonbury News

We are slowly moving ahead with the project to establish a Trust for the Glastonbury cottage and Sanctuary of Avalon. This will be linked our US non-profit TICCA, The Institute of Co-Creative Arts, founded to support education and events within the Western Esoteric Tradition. More information on TICCA can be found at www.cocreativearts.org, and on the Sanctuary at www.innerconvocation.com.

CDs & books

We have several CDs coming into production this year, of new magical and musical material, plus digitally remastered archives from the 1970s. And we each have a new book, for publication in the autumn! There will be more news when they are ready!

Courses and Teacher Training

Anastacia's correspondence and on-line course *Priest and Priestess Arts for the 21st Century* is available at rjstewart.net. Our three groups of teachers in training in the US and Britain are now well advanced, and some members are working with us as assistant teachers at workshops this year. The teacher training has been an exciting and creative project for us all, and we now have a wonderful international team to teach Inner Temple Traditions Inner Convocation ® classes and workshops for years to come. Thank you all!

We look forward to you joining us in the near future for our workshops and concerts.

All good wishes, Anastacia and R.J.
